Entrepreneurs Breakfast

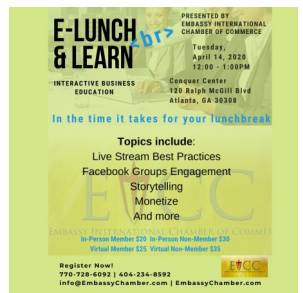

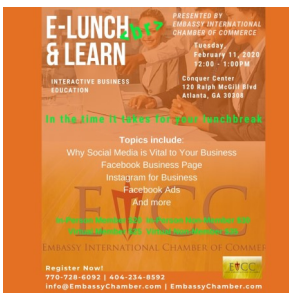

EICC Members, if you missed January’s event, you missed an opportunity to be enlightened and inspired heading into 2020! No worries, however, we’re going to do it again in a few months. Therefore, in a endeavor to deliver more of the content you need to be successful, we want your feedback on what we did well and not so well.

If you attended on January 11th, please complete our survey at [Entrepreneurs Breakfast Survey](#).

E-Lunch

The EICC E- Lunchbreak and Learn provides entrepreneurial education & interactions centered around social media strategies, monetizing your expertise, building business credit, and much more. COMMERCE COMMUNIQUE

Just Write (JW) Support Group

JW is both a physical and Facebook group of Christian writers open to all genres. We are like minded individuals with a voice to uplift the Kingdom of God, facilitating aspiring and established writers through the writing process, editing, cover design, publishing, promotions, and their spiritual walk. This enables the writing entrepreneur to extend into the marketplace and be empowered.

JW serves as a place where you can find other people who understand what you're going through as a writer, because we're writers too. Through our interactions and feedback, it is our desire that you find your writing voice and audience to serve.

Connect today at [JW Facebook](#) or by email: JustWrite@EmbassyChamber.com. Also, inquire about our upcoming February events on the 15th & 22nd.
